

VEPTSA MEMBERSHIP 2017-18

Welcome to the new school year! The Viewlands Elementary Parent Teacher Student Association (VEPTSA) is proud to support our school community.

We support our families by offering low cost and fun-filled events such as Movie Nights and the Friends & Family Dance.

We support our staff by volunteering our time.

We support our teachers with grants and help in the classroom.

We support our students by funding programs such as Music with Mary K, paid recess supervision, enrichment programs and scholarships, and 5th Grade Camp financial support. We have a thriving Viewlands Outdoors program and school garden.

We support our community by teaching our children to be safe, kind and helpful.

We support each other by embracing our diversity and encouraging involvement in our kids' education. Everyone is welcome in VEPTSA. What can you offer? Please help with your time, your ideas, your resources.

Return below form to PTSA lock-box in the school office. Cash or check to: VEPTSA
