2020-2021 MEMBERSHIP FORM

Welcome to the new school year! The Viewlands Elementary Parent Teacher Student Association (VEPTSA) is proud to support our school community. What do we do? In a typical year we support our students by providing:

- Scholarships for enrichment programs
- Fund Mary K Music Program
- Activities like Movie Nights and Family Dance
- Provide grants to teachers and grade bands to help pay for additional activities, programs, and supplies to help students
- And so much more!

While how we engage as a school community will look different this year, the PTSA is committed to coming up with creative ways to stay connected and continue some of our favorite Viewlands traditions throughout the year.
